I have the honor to  
forward herewith the monthly  
Return of Sick of the Local  
Fund Dispensary at French

to have permission to close the French Rocks Dispensary and transfer it to such other part of the Province as may be proved to the satisfaction of the Dewan that it is more urgently required.

The need of one at French Rocks does not seem urgent with a dispensary at Serinapatam six miles off and rail communication daily with Mysore.-

French Rocks Sub. Office,  
Camp Nagamangala 30<sup>th</sup> Jan'y '86.

To,

The Secretary to the Dewan  
of Mysore.

Sir,

In reply to your packet No. <sup>573</sup>/<sub>57</sub>  
dated the 4<sup>th</sup> Instant, forwarding  
for my opinion, copy of Senior  
Surgeon's letter No. 1288 dated 4<sup>th</sup>  
November 1885, recommending  
the closing of the Dispensary  
at French Rocks, I have the honor  
to state that in the interests of the  
people of the Sub. Division Office  
and that of the Assistant  
Engineer and also of the large  
number of Military persons  
permanently residing at French  
Rocks, all of whom are habituated

to English medical treatment, a  
Dispensary is in my opinion an  
indispensable institution at French  
Rocks. It is true that there is no  
stated by the senior surgeon a  
Dispensary at Serinapatna,  
only six miles off, but it is hardly  
necessary for me to state that it  
is not reasonable to expect either  
the Opium people or the general  
public to travel 12 miles a day,  
in going to and coming  
back from Serinapatna, while  
they are sick; nor would it be  
expedient to make the hospital  
assistant at Serinapatna  
visit French Rocks as frequently  
as would be necessary without  
prejudice to his legitimate work  
at Serinapatna.

2. I would respectfully invite  
the Dewan's attention to the  
Governor's letter No. 24<sup>3</sup> dated  
4<sup>th</sup>

27<sup>th</sup> June 1883 in which he requested the Oeman to order an Hospital Assistant to be attached to his Sub-Division Office and a Dispensary to be opened for the convenience of both the officials and the public at large to be under the Hospital Assistant's charge at such times as he may not be absent in the Sub-Division Officers' camp. This request was sanctioned by the Oeman in Proceedings No. 5696-9 dated 4<sup>th</sup> February 1884. Thus the main object of opening a Dispensary at French Rocks appears to have been to provide for the medical necessities of the Sub-Division Office establishment both at Head-quarters and while out on excursions. As a matter of fact however the Hospital Assistant is seldom taken out with the camp of the Sub-Division Officer but the

14  
natural value at 4.00 per acre &  
should be put to measurement  
by doing so.

3. The Hospital Assistant at  
French Rocks informs me that  
the average daily attendance of  
patients for some time past has  
been 25, which I venture to  
submit, is a good number for  
a place like French Rocks.

4. Under the above circumstances,  
I trust the Board will be pleased  
not to order the closing of the  
Diet Kitchen at French Rocks.

I have the honor to be,

Yrs,

Yours most obd. servant.

Thomas Caffrey  
Asst. Commissioner.
